■ **Tax Strategy:** Smith Capital Group LLC (parent) = pass-through, no payroll required. SmithCap Ventures LLC = pass-through at the incubator level; individual ventures can elect S-Corp status independently once profitable. Operating LLCs elect S-Corp once net profit clears ~\$40K/year to save 15.3% SE tax on distributions. Nonprofits (XFTC, PBS) file separately and are never included in SmithCap Group's tax return.
