■ **Tax Strategy:** Smith Capital Group LLC (parent) = pass-through, no payroll required. SmithCap Ventures = pass-through at incubator level; individual ventures elect S-Corp independently once profitable. Operating LLCs elect S-Corp once net profit clears ~\$40K/year — pay reasonable salary, take rest as distributions, save 15.3% SE tax on distribution portion. Nonprofits (XFTC, Elevate Scholars Foundation) file separately and are never included in SmithCap Group's tax return.
